### **About Chembio Diagnostics**

Chembio is a leading point-of-care diagnostics company focused on detecting and diagnosing infectious diseases including COVID-19, sexually transmitted disease and fever and tropical disease. The company's patented DPP technology platform, which uses a small drop of blood from the fingertip, provides high-quality, cost-effective results in approximately 15 minutes. Coupled with Chembio's extensive scientific expertise, its novel DPP technology offers broad market applications beyond infectious disease. Chembio's products are sold globally, directly and through distributors, to hospitals and clinics, physician offices, clinical laboratories, public health organizations, government agencies, and consumers.
